

# ***Top Fleet Employers program honours 93 top industry workplaces***

**OTTAWA, ON** (April 4, 2023)— Today, Trucking HR Canada announced 93 of the best Canadian fleets to work for in the trucking and logistics industry. These top-performing employers have been acknowledged by THRC's Top Fleet Employers program, recognizing their excellence in meeting and exceeding HR standards.

The Top Fleet Employers program is a national initiative that recognizes the significance of sound HR policies and practices within the trucking and logistics industry. Applicants are evaluated based on multiple criteria, including recruitment and retention practices, workplace culture, compensation, training and skills development, and innovative HR policies.

Additionally, employers who have been recognized in the program for a minimum of five years are awarded ***Top Fleet Employer of Distinction*** status.

"Over the past decade, the Top Fleet Employers program has become an important part of the Canadian trucking industry – raising the bar in human resources practices and positioning the industry as a great place to work" says Angela Splinter, CEO, Trucking HR Canada. "We are proud to celebrate 10 years of recognizing the best in the industry and look forward to celebrating all recognized fleets."

Trucking HR Canada will proudly recognize, honour and celebrate the 2023 Top Fleet Employers at the 10<sup>th</sup> anniversary Awards Gala being held in Toronto on October 12, 2023, at the Fairmont Royal York. Tickets are on sale now.
